February 4, 2013

Dear Fox Chase Residents:

We would like to make everyone aware that recently and over the past few months, numerous incidents of vehicle larceny, break-ins, and attempted break-ins occurred in our neighborhood. Please take all valuables or items of interest out of your car and lock your cars. It would be very helpful to the police if you record the serial numbers on your electronic items or other valuables, as well, in case they are stolen.

Below please find a link to some information from Spotsylvania County Sheriff’s office detailing steps we can all take to protect our belongings:

We have formed a Neighborhood Watch Committee - volunteers always are needed - so please let us know if you are interested in joining.

Current members of the Neighborhood Watch Committee will be visiting all residents’ homes to ensure everyone is aware of the incidents in our neighborhood. Please email the Neighborhood Watch Committee (Neighborhoodwatch@fox-chase.org) if you know of any break-ins or attempted break-ins.
